Clean Energy Europe Finance Guide 2014

OFFICIAL LAUNCH
London, UK | 1 April 2014

**Agenda**

5:30 pm  Registration
6:00 pm  Welcome address
6:05 pm  An overview of investment and M&A trends in Europe’s cleantech and renewable energy sector
          Douglas Lloyd, Founder and CEO, Clean Energy Pipeline

6:15 pm  Identifying new opportunities in European cleantech
          ○ Which cleantech sub-sectors are currently in vogue amongst the investment community?
          ○ What are corporates, family offices and private individuals looking for in cleantech investment opportunities?
          ○ What strategies are European cleantech companies pursuing to expand into international high-growth markets?
          ○ What are the best options for cleantech companies considering an exit?
          MODERATOR:
          Ian Thomas, Managing Director, Turquoise International
          PANELISTS:
          Rene Savelsberg, Co-founder, CEO and Managing Director, Chrysalix SET Management
          Richard Nourse, Managing Partner, Greencoat Capital
          Joachim Heine, Partner, Squire Sanders
          James Graham, Cleantech Entrepreneur in Residence, UKTI

7:05 pm  Exploring the outlook for renewable energy deal activity in Europe
          ○ Which sectors and countries will see most renewable energy investment in 2014?
          ○ To what extent can new structures such as YieldCos, bonds and securitisation be used to unlock deeper pools of capital for renewable energy?
          ○ How have banks’ appetite for renewable energy loans changed? Have mini-perm structures become the norm?
          ○ What are pension funds and insurance companies looking for in European renewable energy investment opportunities?
          MODERATOR:
          Trevor Ingle, Partner, Squire Sanders
          PANELISTS:
          Alastair Higgins, Head of Structured Bonds, ING Bank
          David Short, Director, Renewable Energy, Mizuho Bank, Ltd
          Bob Smith, Executive Vice President, Mytrah Energy
          Shane Woodroffe, Partner, EnerCap Capital Partners

7:55 pm  Networking drinks
9:00 pm  Close of event
